

****PLEASE READ CAREFULLY****

As a service to our patients, we do accept payments from most insurance companies, however it is **your responsibility** as a patient to know the benefits and limitations of your specific insurance plan as it pertains to Physical Therapy coverage. **By signing the authorization for billing, you are acknowledging this fact.**

The following tips are provided to help you through this process:

*A contact number to your insurance company is usually located on the back of your insurance card.

Questions you will want to ask will include:

- *How many visits of Physical Therapy will be covered under my plan?
- *Is there a limit to the duration of Physical Therapy coverage? (i.e. 60 days)
- *Is there a limit per calendar or plan year?
- *What is my co-pay/Co-Ins?
- *Do I have a deductible?
- *Is preauthorization needed?
- *Do I need a script/referral from my doctor
- *Is Nina Silverman Physical Therapy listed as a participating provider in my plan?
If not, do I have out of network benefits, or an out of network deductible?

If you have a Secondary or Supplemental Insurance policy, please be aware that you may still have a copay/co-insurance, Please call your insurance company about your specific coverage.

Nina Silverman Physical Therapy does participate with the most insurance companies. Please check with the receptionist to see if we participate with your Insurance

Please be aware that even if Nina Silverman is listed as a provider for your insurance company, your specific plan may have limitations to Physical Therapy benefits.
